**Clean up fee:** \$70.00 minimum charge if space is not clean at time of launch.

**Electricity and water:** Price included in daily storage rate.

**Holding Bays:** First four hours are free. After four hours, the cost will be \$50.00 per day. No boats over 32 ft. will be allowed in the holding bays at any time. This is to allow access to the lift bay for the larger vessels.

**Power wash:** \$2.80 per ft. for heavy growth \$3.80 per ft.

Contaminated fuel must be removed at boat owner's expense as Granville Island Boat Yard is not equipped for removal of fuel.
